

Our product line -n is designed for the use in clean rooms in industry sectors like chip manufacturing, food processing and pharmaceutical and chemical industry.

Typ V10-n  
Model V10-n

Anwendungsbeispiele  
Field of application

<b>Volltraglast</b> <i>full load capacity</i>	100 kN (10 t)
<b>Arbeitsdruck</b> <i>working pressure</i>	520 bar
<b>Kleinste Ansetzhöhe mittels Sicherheits-Hebelasche</b> <i>minimum loading height using safety toe</i>	20 mm
<b>Hubhöhe</b> <i>lifting height</i>	160 mm
<b>Verstellbarkeit der Sicherheits-Hebelasche</b> <i>adjustable range of safety toe</i>	4 x
<b>Ansetzhöhe mittels Kopfplatte</b> <i>loading height using top plate</i>	310 mm
<b>Außenmaße (L x B x H)</b> <i>overall dimensions (L x W x H)</i>	339 x 237 x 310 mm
<b>Eigengewicht mit Ölfüllung</b> <i>tare weight incl. oil fill</i>	32 kg
